

Little Bird – Old Man Luedecke (Canada)
Waltz feel

Verse 1

G C
Little bird, don't know your name
C D
You've been hanging round my yard
G C
Though it may still snow in may
Em D C
Your journey's long and hard
G C
There's miles to go before you yet
C D
This is not the end
G C
You're welcome back most any time
G D G
I'll always call you friend

Chorus 1

C D G C
You go all the way
G D G
You go all the way
C D G C
You go all the way
G D G G
You go all the way

Verse 2

G C
You're in the sun singing foreign tunes
C D
Till my heart could break
G C
But staying here I fear my dear
Em D C
Would be a drear mistake
G C
The seasons they go weirdly now
C D
There's danger in the sun

G C
For all our peace of mind my dear
G D G
Keep going, you're the one

Chorus 2 (same as chorus 1)

C D G C
You go all the way
G D G
You go all the way
C D G C
You go all the way
G D G G
You go all the way

Verse 3

G C
I never helped a single thing
C D
I live just for myself
G C
I met a darling little bird
Em D C
And love became our wealth
G C
And soon I'd like to help all things
C D
Find their place in the sun
G C
And like the darling bird that flew
G D G
We'll always be the ones
